

Trikala Corinth Holy Monastery of Saint Vlasios

18 MAY 2025

Excursion program

We depart from Chalkida at 7:30. Where, with a stop for the necessary coffee, we arrive a little outside of Trikala Corinth at the Holy Monastery of Saint Vlasios. The Monastery is located in an idyllic landscape, and offers a unique atmosphere of calm and serenity. Tradition has it that the icon of the Saint was found in an extremely inaccessible cave, isolated from human eyes. It was a wooden iconography from the 8th century, which shows the Saint enthroned blessing and holding a parchment in his left hand. The discovery of the icon motivated the man who discovered it to build a nave at the spot where the aforementioned church is located today. We may not have clear evidence to indicate how long the small church remained at the site, but we do know that its place was taken by the beautiful monastery of today, built in the mid-17th century. In 1918, the monastery was expanded, with the creation of a women's quarters at the back. From its courtyard, you will see the magnificent view of Corinth, which literally "takes" your breath away! We will have time to worship and tour the monastery grounds, and continue our journey towards Trikala Corinth. Trikala is a mountainous village in the prefecture of Corinth. It is divided into three sub-districts that are divided based on altitude, with the lowest village being Kato Synoikia, in the middle is Mesi Synoikia and the highest is Ano Trikala. We will have free time to wander around the villages and enjoy our meal in one of the traditional taverns. After our meal, we will have time to enjoy a coffee or a traditional dessert in one of the picturesque cafes of the village, overlooking the green mountains. The cafes in the area offer warm hospitality and are the ideal place to relax after the walk. Early in the afternoon, we will take the road back to Chalkida full of unique images and memories.
