

KARDAMYLI-KALOGRIA BEACH

Excursion program

1 day Chalkida - Kardamyli

We depart at 07:00 in the morning from Chalkida where with our necessary stop for coffee we will arrive in the beautiful Kardamyli, a small seaside town! One of the most famous residents of Kardamyli was for many years Patrick Leigh Fermor, an Anglo-Irish writer who wrote many works about Greece and specifically Mani. The old part of Kardamyli dominates over the modern city, and consists of a slope that is "cut" by stone paths, with an intoxicating aroma from the pine trees with scattered small complexes of tower houses, some of which are being renovated. We will have free time to wander around, drink coffee and enjoy our food. Then we will head to our hotel to check in and rest to enjoy our evening walk and our cocktails next to the sea. Overnight stay

Day 2 Kardamyli - Kalogria Beach

After breakfast we will head to Kalogria beach with its endless golden sand and wonderful waters, it is known and loved by the residents of the wider area. It is one of the largest and best beaches in Greece. It has been awarded the Blue Flag, and due to its uniqueness it is also a member of the NATURA Network. The sea along the coast is famous for its crystal clear waters, its blue-green color and its sandy bottom. We will have time to enjoy swimming and our lunch. In the afternoon we will return to the hotel for rest, departure in the evening and overnight stay.

3 days Kardamyli - Chalkida

After our breakfast and check out we will visit the Mourtzinou Tower, it is an amazing place that will take you back to the time of the Revolution of 1821.
