

Pavliani Park

09 JUNI 2025

Excursion program

We depart at 7:30 from our Chalkida, where with an intermediate stop for the necessary coffee, we arrive in Pavliani to spend another wonderful day in nature and in the park created by the locals with passion. Go down the main path for the first "Instagram" photo as an original bridge is revealed in front of you. The bridge "Mousikonei" represents the keys of a piano.

The resemblance is not only visual as we cross it, music is heard, from the piano of course. On the opposite bank of Asopos there is the Water Power Museum. In a stone building complex are housed the Water Saw, the Watermill, the Mantani and the Watermill (Tristila). Traditional arts and work that used to be done with the power of water. And for the more "adventurous" the ascent to the Iron Throne to enjoy the magnificent view! Free program and stay for food in one of the local shops. Finally, we take the way back to Chalkida in the evening.
