

## BITINA-DIMITSANA-STEMNITSA-TRIPOLI

Departure from Chalkida at 7:30 where, with an intermediate stop for the necessary morning coffee and rest, we will continue to Mountainous Arcadia. Our first stop is Vytina, which is built at an altitude of 1,033m. in a valley at the foot of Mainalos, offering all the beauties of the four seasons. A special escape in Mountainous Arcadia that rewards travelers and of course it is worth noting that it has been characterized as the "jewel of Mainalos". Its old stone-built houses have a special architectural beauty, dominated by the famous black marble of the region. In addition, through a walk along the road of love, in its beautiful narrow streets and tree-lined streets, you will see up close the beauties that one encounters in the Greek countryside. We continue to Dimitsana with an optional excursion to the watercraft museum. Of course, we will not forget to visit Stemnitsa with a short stop to try the famous orange pie of the region.
