16 MAY 2025

Excursion program

1 day

We depart at 07:00 from Chalkida, our usual stop for coffee in the beautiful Ioannina, after settling in at the hotel we will head to a small paradise for history lovers. We will visit the Byzantine Castle of Ioannina, the Aslan Pasha Mosque, the Ottoman Library, the Tomb of Ali Pasha, the Fethiye Mosque and we will end up at Lake Pamvotida. Those who wish can take a mini cruise on the lake and visit the island of Kyra Frosini or enjoy your coffee in one of the cafes on the lake. Free time for lunch and a walk in the city. Overnight stay

2 day.

After breakfast we will head to Monodendri, a unique village with incredible views. Its location is privileged, between the Vikos Gorge, the stone towers of Oxia and the slopes of Tymfi and Astraka. Its name is believed to have come from a very large fir tree that dominated the village until 1840. The architecture of the village seems to transport the visitor to another era, with the classic stone alleys, the stone-built houses and the impressive mansions. All built according to the style of the region and with the uniformity of the gray stone. Here we will visit the handicraft school and the Rizareio Exhibition Center, the house of the Rizare brothers which houses the village's Primary School, we will also visit the church of Agios Athanasios, the emblematic attraction in the square of Monodendri. In the village we will have free time to enjoy our lunch and our walk. Return to the hotel and Overnight.

3 day.

When we complete the check out and of course our breakfast we depart for the great Vrellis museum with the wax figures, which in life-size and in a faithful representation, bring heroes of our modern history back to life. We will visit the famous clock and then we will take the return road and head to the beautiful Metsovo which has succeeded and stubbornly maintains its traditional character unchanged. As soon as we arrive in Metsovo, we will see what we call tradition since the settlement is built exactly like that. There is a harmony in the houses and shops in the way they are built and this makes the settlement very picturesque. We will take a walk through the narrow streets and the square of Metsovo and have lunch in a shop in the village. Metsovo is famous, moreover, for its good food. We will continue our return and will arrive early in the evening in Chalkida with traditional and unchanging images through time !!!!
